VIRTUAL GUIDED TOURS

THE FRENCH NATIONAL MONUMENTS AS IF YOU WERE THERE!

THE CENTRE DES MONUMENTS NATIONAUX

WHAT IS?

A public cultural tourism operator with a unique national coverage and network, the Centre des monuments nationaux is a heritage stakeholder with a focus on its visitors. Mont Saint Michel Abbey and Cluny Abbey, the châteaux of Azay-le-Rideau, Angers, If and Pierrefonds, the Ramparts of Carcassonne, La Rochelle's towers, Villa Cavrois, the Conciergerie and the Sainte-Chapelle are all examples of monuments wich are opened to visitors across France all year round!
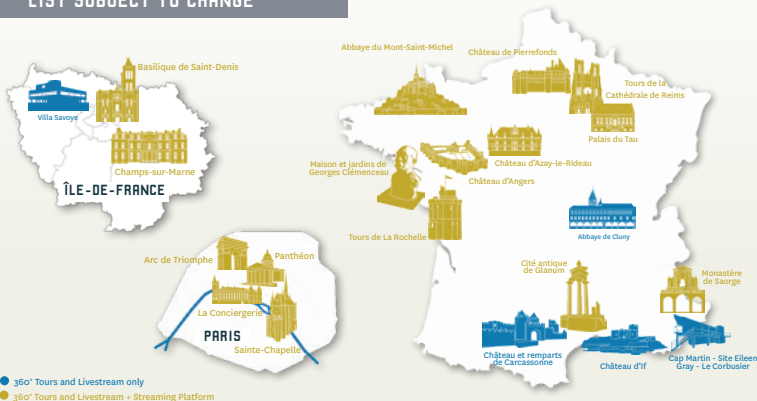

VIRTUAL GUIDED TOURS

WHY?

One of our principal missions is to provide access to French heritage to as many people as possible. Which is why we have developed a selection of digital visits: virtual guided tours are a key mediation tool to allow visitors to discover our monuments from the comfort of their homes.
