Short synopsis (150 characters)	With this virtual reality experience, you will slip into Champollion's skin to relive this unique intimate experience and this historical milestone. Lit by torchlight, guided by Champollion's voice, the visitor-explorer enters the temple, recreated from David Roberts' watercolors. Step by step, they discover its masterpieces, from the gigantic bas-relief of the battle of Qadesh to the sculptures of Ramses II and the gods Ra-Harakhty, Amun-Ra and Pta... A unique opportunity to explore the heart of an exceptional Egyptian site!
