What are Take care of yourself Frog?

PAY ATTENTION TO YOURSELF Frog by MYRIA EDITIONS is a beautiful story for children featuring little Frog!

Like every morning, Grenouillette goes out to have fun with his friends, much to the chagrin of Papa Grenouille who can't help but worry. An adventure story accessible to everyone!

When Grenouillette goes out to have fun with her friends, she falls into a glass bottle abandoned in the river and finds herself locked in! While the little frog calls for his dad so that he can come to his rescue, the current carries the bottle and takes Grenouillette across the waves. Papa Frog dives into the body of water and despite himself encounters large humans.
