## **The sun king**

**Immerse yourself in the world of Edas and the Sun King!**

Created by Edas and published by Myria Édition, experience a unique adventure with King Louis XIV in the modern world.

**What is the Sun King?**

How do you react when you live in a castle and it becomes the ground for clashes between giants?

The daily life of a king is never easy, especially when you have to go on an adventure!

Accompanied by a mysterious little king who wishes to find his brothers, the Sun King will experience a unique adventure in the company of Lady Rigel and the giants of the Pleiades. After all, a king must know how to handle all situations!

Throughout the pages of this one-shot manga, you will learn more about the tastes and duties of a king... even when you have to go to the other side of the world!

### **About the Publishing House**
