### AUTOMATED CONFERENCE ABOUT ROBOLUTION

In French, captioned in **English**.

The English title for this play is *Robolution*

Adjustable duration between 45 min and 1h10 / For all ages

An automated conference about the robolution, by 2 humans and 1 robot!

Is a war against robots inevitable?

Will robotics be a cure for loneliness?

Was the cyborgization of Darth Vader fair on him?

Will Robots get benefits?

So many questions...!

With the help of our onstage robot and armed with solid references from pop culture, science fiction and scientific reports, we'll be searching for the best answers!

Past venues : Voilà Europe Festival (London), French Institute of Lebanon, La Manufacture Centre Dramatique National Nancy Lorraine, Le Shadok (Strasbourg), MAIF Social Club pour les RDV Néo ARCADY (Paris), Cube centre de création numérique (Issy-Les-Moulineaux), Quai des Savoirs (Toulouse), La Salamandre (Cognac), Théâtre de Saillans, CCO (Villeurbanne)...
