A GREAT COLLECTION OF IMMERSIVE MURALS

**Outside traditional places, culture comes out from walls!
Offer unique experiences to your publics!**

Berlioz Trip AR

Immersion inside a Dream of a Sabbath Night and rearrangement of Berlioz's famous masterpiece *The Fantastic Symphony*, in augmented reality.

A History of Opera

Discovery of the history of opera in augmented reality, over three seasons, in collaboration with Harmonia Mundi for musical recording and Actes Sud for publishing.

Nature's Voices

Dive into each ecosystem proper universe: lakes and ponds, mountains and seas, abysses, cities, campaigns, deserts...

Tailor-made immersive murals

Tailor-made creations in order to let culture shine at the heart of public spaces (communities, public transports, real estate...)

Interactive stationery

Each immersive mural is also available in multiple formats: posters, books, postcards or friezes in augmented reality, to expose at home or to offer.

ACTES SUD

THE GREATEST COLLECTION OF MUSICAL EDUGAMES OFFER YOUNG AUDIENCES THE MOST INTERACTIVE MUSICAL EXPERIENCES!

Online platform with more than 30 edugames

Memory games / Quiz games / "Simon says" games / Orchestration games
Rhythm karaokes / Sung karaokes

Sonic Solveig accompanies institutions in their mediation policies, so as to offer to their publics the most innovative apprenticeship.

Since its founding in 2014, Sonic Solveig has developed more than 10 edutainment applications for: Arte platform Opera-Europa, the Aix-en-Provence Lyric Festival, the Opera of Limoges, the Opera of Dijon, the Ministry of National Education, Gallimard Jeunesse, the Opera-Orchestra of Montpellier, the Metropolitan Orchestra of Montreal...

Sonic Solveig is involved in ACTOR, an international research program managed by University Mc Gill of Montreal focused on cognitive perception, timbre and orchestration.
